**Gail Buckland : UFO: Albert Watson** before purchasing it in order to gauge whether or not it would be worth my time, and all praised UFO: Albert Watson:

0 of 0 people found the following review helpful. Broken !By Amedeo M. Turello Again a fantastic book for THE MASTER ALbert Watson, but the plastic slip cover arrived broken and I had to return - am still waiting to see what condition it will arrive in. Am so disappointed by the lack of care that use when packing such great items. It's almost insulting to the artists. 0 of 0 people found the following review helpful. Five Stars By Agustina Loved it! 3 of 3 people found the following review helpful. great book but fragile cover... By Serge Thomann I love this book but unfortunately the cover is very fragile and got damaged in the mail... I love Albert Watson's work and the book is full of great photos!

One of the world's most successful photographers, Albert Watson is known for graphic, sculptural images that capture the essence of people, places, and things. His has been a career of unparalleled productivity, ranging from fashion to iconic portraits to reportage. His first book, *Cyclops*, published in 1994, established him as a leading photographic talent who combined a brilliant vision with extreme technical excellence. *UFO* which stands for Unified Fashion Objectives presents a 40-year retrospective of Watson's best work, pulled from his vast archive. In its pages, a memorable era of style, beauty, fashion, personality, and power is captured for posterity. *UFO* is a landmark publishing event from one of the world's greatest photographers.

About the Author Albert Watson is a widely published photographer with more than 200 *Vogue* covers and 40 *Rolling Stone* covers to his credit. Born in Scotland, he lives in New York City. Gail Buckland is an author, educator, and curator of photography. Among her many accomplishments, she was photographic consultant to former Vice President Al Gore for *An Inconvenient Truth*, and she created the bestselling *American Century* with Harold Evans and Kevin Baker.
