Daniel Stark, Roslyn Stark : Ultimate Large Print Crosswords Omnibus #5 (Ultimate Large Print Crosswords Omnibus Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Ultimate Large Print Crosswords Omnibus #5 (Ultimate Large Print Crosswords Omnibus Series):

2 of 2 people found the following review helpful. Should you buy a "Used" Crossword Puzzle Book? By GrannyBooks I love these -- the print is big enough my old eyes can see it easily, the puzzles are neither so simple I am bored nor so hard I want to tear my hair out and take another blood pressure pill. The "used" copy received was in perfect condition with not a mark on it inside or out. Shipping was by USPS and it actually arrived a couple of days faster than expected. Great product and great service. 0 of 0 people found the following review helpful. Nice book. By Ciaran Mackay I bought this book for my mother years ago. She enjoyed this book immensely, as she was an avid

crossword puzzler. The large print was invaluable to her.

This is the fifth book in our very successful ULTIMATE LARGE PRINT CROSSWORDS OMNIBUS series. Never before has it been so easy to read more than 100 puzzles based on a variety of topics, different levels of challenge, and both common and advanced word choices assembled by many of the world's most distinguished cruciverbalists. The large print and dark type make these puzzles comfortably legible, while the large grid squares allow puzzlers plenty of room to write in each letter. The spiral binding and heavy-duty back cover also make for extra-convenient puzzling. It's a thoughtful gift for senior citizens or anyone who appreciates a challenging puzzle book that's easy on the eyes.
