**Parragon Books : Ultimate Wordsearch (Spiral Crosswords)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Ultimate Wordsearch (Spiral Crosswords):

5 of 5 people found the following review helpful. durable bindingBy Amy in OhioSpiral-bound puzzle books are much easier for many people to handle, and this one has a nice, strong spiral that allows the book to lay flat. I purchased this for a younger nursing home resident and she has already spent many hours working these puzzles.My only suggestion:

I wish the print was a little bit bigger- it seems that there is enough white space on the pages that they could have increased the font size a bit. I would not recommend this book for someone with diminished vision, but if that's not a concern, then this is a good book.0 of 0 people found the following review helpful. WonderfulBy Brent D.
