bottlemeisterI found it confusing. it references games previously played, but it skips 3 or 4 moves at a time so I found it difficult and time consuming to follow..0 of 1 people found the following review helpful. Good referenceBy QuiltmomBought this book for my grandson, who loves chess. Great for someone interested, and young. He was 8 when I gave it to him, and he still uses it.0 of 3 people found the following review helpful. his favorite gameBy Mark G. Jensegood book overall for starting out on chess. there are a few mistakes, on page 8 snyder states that if white takes blacks bishop on b7 white will loose as blackmoves his king to d7 with blacks Rhb8++ soon to follow . not going to happen as the white king has no legal move after taking the bishop on b7 and black's king moves to d7, therefor a draw. snyder says this is his favorite game. this is my second book on chess, first being chess for juniors by snyder, so, i'm checking the receive email for comments on this review to see if i just have this wrong. i'm sure someone will inform me.thanks

In Unbeatable Chess Lessons for Juniors, game master Robert M. Snyder takes games played by the worlds best playersincluding Bobby Fischer, Reuben Fine, Samuel Reshevskyand creates lessons designed for rapid game improvement. Targeted at 8-13-year-olds, this book explains the ideas behind every move in a format that both the advanced beginner can understand and the intermediate player can greatly benefit from. As he did in his best-selling Chess for Juniors, Snyder provides clear step-by-step instruction in clear language. He applies the lessons learned by the greats to the games that every student plays.

From the Inside FlapIn Unbeatable Chess Lessons for Juniors, game master Robert M. Snyder takes games played by the world?s best players?including Bobby Fischer, Reuben Fine, Samuel Reshevsky?and creates lessons designed for rapid game improvement. Targeted at 8-13-year-olds, this book explains the ideas behind every move in a format that both the advanced beginner can understand and the intermediate player can greatly benefit from. As he did in his best-selling Chess for Juniors, Snyder provides clear step-by-step instruction in clear language. He applies the lessons learned by the greats to the games that every student plays.About the AuthorROBERT M. SNYDER is a highly regarded chess educator and well-known personality in scholastic chess circles.
