**Naughty Dog : Uncharted Hardcover Ruled Journal (Insights Journals)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Uncharted Hardcover Ruled Journal (Insights Journals):

The cover mimics Francis Drake's journal complete with bullet hole from saving Sully's life. The inside covers have maps. The weathered texture of the outside cover is great. Very realistic. It will be

durable, too. I love writing and drawing in mine. The pages (192) are good quality and can hold up to many inks. I find that Sharpie Pens (not Sharpie Markers) will not bleed through. A great piece for any Uncharted fan and an extra special piece for sketchbook and journal fans, like me. 0 of 0 people found the following review helpful. I love the look of this journal. By A. Melluzzo I love the look of this journal, but I really wish it didn't have lined paper - I wanted to make my own replica of Drake's journal and can't use this due to the type of paper used in the journal. 0 of 0 people found the following review helpful. Could've been 5 stars. By Customer It's ruled and has the crappy nylon thing to keep it closed. Just looks like a themed molleskin copy. Very disappointed since I had it on pre-order before uc4 came out

Chronicle your own thrilling adventures in the Uncharted Hardcover Ruled Journal. Since its debut in 2007, the Uncharted series has thrilled gamers with its cinematic-quality experience and gripping storytelling. Designed to resemble fortune hunter Nathan Drake's in-world journal, this deluxe notebook captures Drake's engrossing world and daring expeditions, inviting players to chronicle their own epic adventures. With sturdy construction and sewn binding, this journal lies flat, and the 192 ruled, acid-free pages of high-quality heavy stock paper take both pen and pencil nicely to invite a flow of inspiration. Includes a ribbon placeholder, elastic closure, and a 7.5 x 4.5 inch back pocket, perfect for holding photographs and mementos.
