Perfect pocket size, bendable but sturdy, 100 bold print puzzles, difficulty 1-4 By KLS This book has 100 puzzles (Thirty 1 and 2 star puzzles, Twenty 3 and 4 star puzzles) solutions. It's a fraction of an inch smaller than the Pocket Posh puzzle books more maleable. It's sturdy enough for your pocket yet comfortable for your hands, and not a strain to hold open. The puzzles are in bold print, easy to read and accurately

rated for difficulty. 1 of 1 people found the following review helpful. Great new word puzzle -- stimulates the mind  
By Jerry Brady  
If you like Crosswords and Sudoku, you will love Unolingo. Try to find the right place for each letter of the alphabet using logic, deduction and reasoning skills. And enjoy your choice of four difficulty levels. A great way to pass the time, learn new vocabulary, and stimulate the mind. An ideal gift for the puzzler and word buff. I also enjoy the mobile app which has over 1000 puzzles available.

By Marguerite  
Great book

Not since Sudoku has a new puzzle shown so much initial interest. Unolingo's great success is attributable to its simplicity, its appeal to all ages, and its mind-bending stimulation. Unolingo (pronounced "you-know-lingo") has rapidly climbed the app charts for word games and puzzles with a quarter of a million downloads and counting; it is played by gamers in every U.S. state and over 100 countries around the world. Now available in print, we offer 100 Unolingo puzzles in a pocket-sized package. Every Unolingo is a 10 x 10 crossword with 26 empty squares that requires the precise placement of each letter in the alphabet; each letter is used only once. Depending on the level of difficulty, from one star (easiest) to four stars (most difficult), a Unolingo puzzle can be completed in 5 to 15 minutes and calls for a mix of word knowledge, logic, and deductive reasoning. This attractive, tidy package is sized for portability and is part of our successful line of top-notch, best-selling puzzle books.
