TODAY Crossword: 200 Puzzles from The Nation's No. 1 Newspaper (USA Today Puzzles):

4 of 4 people found the following review helpful. I like these puzzles because they are written with clever clues
By Louise Hill
I like these puzzles because they are written with clever clues! But not so far fetched that you can't get the answer. They do have some answers that require very specific knowledge that most people wouldn't know. That always bugs me! I like the fact that the puzzles have a theme which I find fun to figure out how the answers fit into. Basically a good medium level book! The print quality is good - could be darker though. Paper quality is OK, certainly not top grade paper but good enough.
3 of 3 people found the following review helpful. Five Stars
By juliebel
Good puzzles for a mid level enthusiast.
0 of 0 people found the following review helpful. Favorite crossword puzzle book.
By CCGreat way to keep the mind active. Just the right difficulty for this college educated person with enough popular references to be current. Love that the authors are listed. Print is easy to read (but not large print).

The Nation's No. 1 Newspaper offers puzzle-smiths the ultimate book featuring a new collection of challenging conundrums. "You can be sitting in the train working a puzzle but it can take you far away from the everyday. Before you know it you're at your stop or about to pass it. It's not like you were even in the train. It's something different, something removed from the ordinary."--Maki Kaji, The Japanese Times
Boasting an average of 60 word clues, each game is centered on themes such as Letters to Rome, Tax Credits, Opposites Attract, and more.
