B. J. Summers, Wayne Priddy : Value Guide to Gas Station Memorabilia before purchasing it in order to gage whether or not it would be worth my time, and all praised Value Guide to Gas Station Memorabilia:

0 of 0 people found the following review helpful. Four StarsBy Charles A. SinclairIt's OK, but I would spend to get a more up to date version.1 of 1 people found the following review helpful. Excellent book for the gas station collector or antique dealer.By Brian P.This is a must have book for the gas station collector or antique dealer. High quality book, glossy pages, color photos, tons of items in this book with values for the items. The is both a great reference guide and price guide combined. You will learn lots of info about the items in this book by the excellent descriptions that are with each item in this book. Gas station and gas related collectibles are a hot item right now so don't miss out on this book. I give this book 5 stars. Thank you!1 of 1 people found the following review helpful. Great book. Great picturesBy J. A. BelottiI love this book and its pictures. Various little factoids about the companies like maybe they used a certain logo for only a few years or they were bought out by so and so in year whatever. Once I start looking

through it, I am usually there for at least an hour going page after page. Plus I bought it used for a great price.....

Gas globes, panels, and old signs, once common sights, have vanished from the countryside but are now highly valued as they are sought by collectors for their unique forms of advertising. In this informative value guide, collectors will find a gallery of 850 full-color photos of gas station items, including pumps, globes, containers, signs, and more; catalog reprints from the 1940s and 1950s, and a patent chart. This quality hardbound book with 2000 values is the best on the market! 2000 values. AUTHORBIO: B.J. Summers continues to compile essential references for advertising and Coca-Cola collectors. His popular books include Pocket Guide to Coca-Cola, Summers' Guide to Coca-Cola, Soda Pop Memorabilia, Antique Contemporary Advertising Memorabilia, and Value Guide to Gas Station Memorabilia. His books have become standard references in their fields. AUTHORBIO: Wayne Priddy is co-author of Value Guide to Gas Station Memorabilia, along with B.J. Summers. He is a collector and knowledgeable about all types of gas station collectibles. REVIEW: This book is a great tribute to days gone by, when gas station attendants were the norm at the neighborhood service station. This book is filled with nostalgia from these old stations, including globes, pumps, signs, oil cans other containers, thermometers, clocks, and more. It's a walk down memory lane, and a helpful resource for the collee Guid

B. J. Summers and Wayne Priddy's Value Guide To Gas Station Memorabilia appears in its updated second edition to provide the latest values to signs, cans, maps and more from vintage gas station days. Bright medium-sized color photos throughout compliment chapters conveniently organized by memorabilia type - signs, containers, thermometers, even pumps and globes - to make for quick, easy browsing and reference. -Midwest Book About the Author B.J. Summers has been a collector all his life. In early childhood he was fascinated with collecting Boy Scout patches and building models. Later as a telephone linesman, collecting telephone insulators and advertising seemed natural. Since 1994 B.J. Summers has been a proven authority on advertising collectibles, gas station memorabilia, and of course, Coca-Cola. And he continues to produce value guides sought after by advanced and beginning collectors alike. Wayne Priddy is co-author of Value Guide to Gas Station Memorabilia, along with B.J. Summers. He is a collector and knowledgeable about all types of gas station collectibles.
