Jason Brown, Matthew Rorie : Versus Books Official Baldur's Gate II: Throne of Bhaal Perfect Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Versus Books Official Baldur's Gate II: Throne of Bhaal Perfect Guide:

0 of 1 people found the following review helpful. Worst strategy guide I've ever read!By knitting ninjal just started reading this guide and I was amazed that a book with this many errors was printed. In the walkthrough sections, the same text is printed, word for word, in multiple sections! The first time I thought somebody goofed but when in happened again I thought this is just crappy proof reading/editing. I'm only on page 40 so I don't know how bad the rest of the book is but I do know that pages 26-31 are all messed up. For \$14.99, you'd think they could at least have someone proof read these things before they go to the printer.0 of 0 people found the following review helpful. Five StarsBy heath mullervery helpful and very detailed0 of 1 people found the following review helpful. great guideBy

John N. Murphy one of the best guides before YouTube. book took you step by step through the game. included cheats, equip and god coeds...etc.

BG II: Shadow of Amn has been the #1 selling PC strategy guide since its release in 2000. This new full color guide gives extremely detailed maps, codes and the new levels of the expansion pack.
