InspirationalBy JC Pearl Spokane, WA Bought it as a gift for my amazing daughter who inspires me every day as she works at a non profit to make the world a better place! She loved it. I was surprised in a good way by the size of the book, almost coffee table size. The illustrations and quotes are amazing. I may have to buy another copy for my nieces graduation!0 of 2 people found the following review helpful. Four StarsBy SurenGreat collection of women2 of 2 people found the following review helpful. Following the great success of *Pioneers of the Possible*, Angella Nazarian returns with an extraordinary sequel, *Visionary Women*. From Malala Yousafzai as the youngest Nobel Prize laureate and Carmen Amaya beginning her remarkable dance career at age four to swimmer Diana Nyad breaking a world record at sixty-four and Doris Lessing still penning stories into her nineties, this inspiring volume will compel readers to reconnect with their own dreams and envision new goals to challenge themselves at any stage of life.
