David Hodgson : Viva Pinata: Prima Official Game Guide (Prima Official Game Guides) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Viva Pinata: Prima Official Game Guide (Prima Official Game Guides):

If you want to be get the Variance and Master Romancer awards, this guide is a huge help. I would much rather have a physical guide next to me than constantly going to fan-wikis. Guide has good formatting and tons of information. I am now addicted to this game! 0 of 0 people found the following review helpful. A large book to navigate the game without a magnifying glass. By AnnBI purchased this to go with the game we have...that I purchased for grandsons to play when here. And for me, too. I based my purchase on adults finding this

useful to move through the game with greater success. Now that they all read, I'm certain we will all enjoy referring to this guide. 2 of 2 people found the following review helpful. Helpful Book but a little sloppy By jjjmac Overall, I think this book is worth the purchase. Most of the information in it can find online (for free) at the pinata island website, but I find having it all organized on paper is much more helpful and easier to follow. The book is very colorful, which I like, and it breaks things up into useful tables. The only things I don't like is that it doesn't have an index, which would have been very useful. A straight list of all the different pinatas would have been nice too, as I'd like to check off the types as I encounter them. Plus, I've found several typos in the book. Sometimes the errors are in spelling and sometimes the wrong word is used (for example, in the types of paving section, the paving is referred to as candy).

Don't beat 'em! Meet 'em, and join 'em! An entire Piata Prospectus with complete Piata details! Every Resident and Romance requirement! Raise the biggest and most valuable Piatas available at the earliest time possible! Complete list of every object on Piata Island and how best to use it! Garden growing strategies and building placement advice! Hundreds of Piata-raising hints and tips! All characters revealed! All ruffians dealt with!
