From Citizenship and Immigration Services : Vocabulary Flash Cards for the New Naturalization Test (2009) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Vocabulary Flash Cards for the New Naturalization Test (2009):

0 of 0 people found the following review helpful. I could never state that these particular cards helped me, I would be lying and big time. By RhiannonOk where to begin..? I barely took my immigration English, history and civics test. I passed it, and with flying colors, but I could never state that these particular cards helped me, I would be lying and big time. While I can't speak on behalf of others, I personally found them confusing, and not at all helpful, I used other sources to take care of the language portion of my test. Youtube has the audio version of sample sentences that you might be asked to read and/or write during your interview, I studied from there and for free. If only I had known before wasting \$\$ on this product, right? Oh well, you live and you learn. 0 of 0 people found the following review helpful. Five Stars By Kindle Customer These are helpful for my friend who is studying for her Citizenship test. 1 of 2 people found the following review helpful. Too easy By Sharon Hulton I expected it to be much harder. The words I had made up were far harder on my students. Must be challenging.

Provides flash cards to help United States citizenship applicants speak and write English words and learn about United States government. The cards have 150 English words and phrases and are meant to be used with a dry erase marker.
