Thoroughly engaging and cleverBy buyerYou cannot go wrong with any crossword book that has Leslie Billig's name on it. I think they're exactly the kind of puzzles that puzzle-lovers crave ... very challenging but not impossible. And you won't find any of those totally obscure clues for words like jxg. Thoroughly engaging and clever. Buy one Leslie Billig book and I guarantee you'll order all of the others.0 of 0 people found the following review helpful. Great Alternative to NYTBy giardinistaI'm a hard core New York Times Crossword addict, but have gone through most of their books, and am running into duplicate puzzles. This series is a good alternative, not quite as challenging, but sometimes surprisingly difficult. And I absolutely love the trivia included with the answers!0 of 0 people found the following review helpful. Five StarsBy Mary Alice MaynesThis is part of a collection I enjoy; neither too easy or too difficuot.

If you've got a sharp pencil and a sharp mind, you'll love delving into these Sunday-sized crosswords that originally appeared as a part of the Uptown Puzzle Club series. Crafted by the best constructors in the business and edited by puzzle maven Leslie Billig, each one features a fabulous theme, and every clue has been vetted for accuracy. A fun-facts section sheds additional light on select answers. You don't need to wait for Sunday to enjoy Walk in the Park Sunday Crosswords!

About the Author Leslie Billig began her career as a puzzle editor at Dell Magazines. She has since worked for numerous publishers creating, editing, proofreading, and fact-checking puzzles, including The New York Times, the New York Sun, the Wall Street Journal, New York Newsday, Games magazine, Sterling Publishing, Random House/Times Books, People, Modern Maturity, Reader's Digest, Book of the Month Club, and the American Crossword Federation. Billig has been an editor of The Uptown Puzzle Club and Dell Crosswords since 2001. She wrote and researched questions for the television game show Who Wants to Be a Millionaire. Billig's book Sit Solve Cryptograms was published by Sterling in March 2002.
