AMC : WALKING DEAD (Insights Poster Collections) before purchasing it in order to gauge whether or not it would be worth my time, and all praised WALKING DEAD (Insights Poster Collections):

By Horsemanfirst i love this show!! i really wanted some nice large size photos from the show and grabbed this. the pages are very thick. the images are high quality and very nicely done. the book is a great addition for fans. the guys look great in this book, however.... there is a serious lack of the ladies from the show! the one exception is Michonne, she is in there 3 or so times, but not one single image of Andrea, Carol, Maggie, Beth, Lori, or even Amy or Jaquie. Also sorely missing from the guys is Dale and T-Dog. And even though there is one of alive Shane and one dead Shane - Shane still feels left out to me. However there are 3 or 4 walker shots, a bunch of the Governor, bunch of Merle, bunch of Michonne- (who I love but still just joined in season 3), I was really shocked no Andrea Lori Carol or Maggie - or

Dale/Tdog. I think even Carl has only one- with his dad (maybe two)..So i really love the show and this book is very nice to have, love the the photos, was just really shocked none of the ladies except Michonne were represented.also: the book has 40 images that include some of the main cast, walkers and shots of the promo posters from each season 1-31 of 1 people found the following review helpful.
