A friend of mine who is a John Water's fan, loaned me some DVDs to watch including Pink Flamingos and Female Trouble. After reading his copy of the book "Shock Value", I was curious about the actress/writer known as Cookie Mueller. Glad I purchased this book. Mueller is candid about her experiences, and I find her style engaging and almost poetic at times. There are other books by her which I hope to obtain. Recommended.

Cookie trips through her forty-year odyssey on this planet -- from LSD to shopping at the AP, from birthing Max to shooting Pink Flamingos. The echoes of her passionate commitments will ring in your ears. It is a tragedy to have lost her. Fortunately, along with the memories, she left us this marvellous testament to her intrepid zest for living.
