Walter van Beirendonck : Walter Van Beirendonck:Believe! before purchasing it in order to gage whether or not it would be worth my time, and all praised Walter Van Beirendonck:Believe!:

0 of 0 people found the following review helpful. excellent!By Philip Andrew PerryThis is a beautiful book. Orlan is one of my favorite artists, which is who inspired this collection. The text was the main reason I bought it, although the images are gorgeous. The book is large which is awesome. There are even stickers in the middle of the book! (although I wont be using them because I want to keep the book in tact). The only down side to the entire book is - there arent many pictures from the actual runway show. There are maybe two. Anyways, its a lovely book and recommend it to anyone who appreciates the concepts involving human manipulation and deformation which pose questions about beauty.1 of 2 people found the following review helpful. Simply another outstanding contribution by W@LT!By A CustomerWalter Van Beirendonck is simply a genius. His fashion is outstanding and just the mere thought of using Orlan as his muse for the 1998 W collection is plain and simply an example of how to "kiss the

future!".It is too bad that the new Van Beirendonck collections are not available yet commercially, since his departure from W
