Jamie Thomson, Mark Smith : Warbringer! (Way of the Tiger) (Volume 5) before purchasing it in order to gage whether or not it would be worth my time, and all praised Warbringer! (Way of the Tiger) (Volume 5):

An old score shall be settled. The Legion of the Sword of Doom shall conquer the City of Irmuncast and bring its people into slavery. I swear by Sorcerak to kill you with my own hands. Your perilous quest for the sceptre and orb has been a glorious success. Once again, your skills have ensured your rule of Irmuncast. But now you return home to a city of death overrun by evil hordes and threatened by an even greater army to come. Honoric, leader of the dreaded Legion of the Sword of Doom, has vowed to destroy you and undo all you have done for your people. Are you strong enough to save your war-torn kingdom? **THE WAY OF THE TIGER** is the role-playing adventure classic now revised and expanded for today. You choose the skills and martial arts moves to defeat your enemy, gaining knowledge and honing your abilities to use in further books. Are you ready for the Way of the Tiger?
