Ellen Schroy : Warman's Americana Collectibles: 11th Ed. before purchasing it in order to gauge whether or not it would be worth my time, and all praised Warman's Americana Collectibles: 11th Ed.:

4 of 4 people found the following review helpful. price guide for collectibles By D. Gibson I like this book, but I wish there were more color pictures in it. It is hard to look up things, they just don't give you enough information to find it. I would not buy it again, or any of the americana and collectibles. I just like a lot of pictures and color.

Collectibles enthusiasts can take this comprehensive price and identification guide with them anywhere - shows, flea markets, car boot sales or anywhere else they might go bargain hunting. This handy reference is a pioneer in the field

of mass produced 20th century collectibles, with over 25,000 updated prices for jewellery, ceramics, marbles, PEZ[registered], Barbies and many more items produced from the 1930s to today. The book covers 240 popular categories, including action figures, advertising, Coca Cola, Elvis, postcards, robots, rock 'n' roll, Dr. Seuss, Western Americana and much more. Also provides reference information, collecting tips, history, periodicals, reproduction and copycat information, and detailed descriptions and accurate pricing in a number of specialized areas for auctioneers, collectors, dealers and enthusiasts of antiques and collectibles.

About the Author Ellen T. Schroy is a regarded expert in antiques and collectibles. She has been editor for many editions of Warman's[registered] Antiques and Collectibles Price Guide, Warman's[registered] Depression Glass, Warman's[registered] Americana Collectibles, and others. Ellen frequently appears on US radio shows and is a regular columnist for a popular US antiques magazine.
