**Paul Kennedy : Warman's Barbie Doll Field Guide: Values and Identification (Warman's Field Guide)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Warman's Barbie Doll Field Guide: Values and Identification (Warman's Field Guide):

0 of 0 people found the following review helpful. Unsure of accuracy of prices.By Chrusher\_ComPurchased as a gift for my mom. These price guides (dolls, action figures, so on) lost a lot of accuracy after eBay took hold of most homes around the world. Some things are worth more than listed, some worth less. Unfortunately, Barbie seemed to lose more than other lines.0 of 0 people found the following review helpful. I'm not the least impressed by their knowledge of Barbies, I want a book I can find the item by its SKU in numerical order.By David LaubI purchased this book to obtain good pricing information and there is nothing to help you to find the doll you searching?? Worthless. Need something that is in numerical order by SKU, so, one can find the doll and get a value range..0 of 0 people found the following review helpful. wonderful book for curious girlsBy WhirlwindmomMy 8 year old daughter loves Barbies

and she loves encyclopedias about everything that she loves...so this book has been well loved!Great pictures. Easy to read and easy to take with us in the car or on trips. Fun to share with friends.

Perfect for Barbie[registered] doll collectors on the go, this reference provides vast amounts of information in an easy-to-carry guide. More than 1,500 Barbie[registered] dolls and accessories are covered, allowing collectors to easily identify and value their collections and potential purchases. This handy book contains photos and values for one of America's favorite dolls made from 1959 to present. Listings are presented in a checklist format, so it's easy to inventory collections and create wish lists.

About the AuthorDan Stearns is the editor of various toy books at Krause Publications, including Standard Catalog of[registered] Farm Toys and Standard Catalog of[registered] Die-Cast Vehicles, as well as co-editor of 2003 Toys Prices.
