David Schmader : Weed: The User's Guide: A 21st Century Handbook for Enjoying Marijuana before purchasing it in order to gage whether or not it would be worth my time, and all praised Weed: The User's Guide: A 21st Century Handbook for Enjoying Marijuana:

2 of 2 people found the following review helpful. Canna expected moreBy Natasha SmithThe history at the beginning is interesting ... wanted more of that. The rest of it is for someone who has never smoked and is a little scared by the prospect of getting stoned, which makes this very much a beginner's guide. I wanted more of a review of weed culture because David's got the inside scoop on that and more calls to 'come out!' The recipes are a nice touch ...

I'll be making that cannabutter. 2 of 2 people found the following review helpful. Did you know that OG means outdoor grown? Neither did I. By Nikki Blackwood I am a new old user from the 60's and this book got me up to speed fast on the weed front. The writer is witty and thorough. Now I know a bong from a bubbler plus much more. 2 of 2 people found the following review helpful. Excellent Info, and Some Bonus Chuckles By Curtis I didn't know what I didn't know. The guide is excellently informational, warm, and funny. It's a good gift -- one of those rare cases where you can buy a book for a friend and be pretty darn sure they'll actually read it. I enjoyed it immensely.

The United States is in the midst of a new Golden Age of legal weed. Recreational marijuana is now legal in four states--Washington, Colorado, Oregon, and Alaska--and Washington, DC, while medical marijuana is legal in 25 states and counting. This definitive, hands-on, and experienced guide to the new world of decriminalized recreational marijuana, written by the lovingly blunt and unfailingly witty David Schmader, will educate and entertain the novice and experienced user alike. Complete with history, ways to enjoy, recipes, safety and legality tips, and medical-use information, this witty guide is perfect for gift giving.

A hugely informative, completely hilarious, and desperately necessary guide to marijuana written by one of the funniest guys I've ever known, who just so happens to be the person who got me high for the first time. Required reading for longtime potheads and new users alike. Dan Savage If weeds already a part of your life, this fun and insightful book is the perfect owners manual. And for those for whom its not, David Schmader answers all the basic questions you were too afraid to ask. By the end of the book, Schmader feels like both an older brother and a trusted friend. Rick Steves The world has enough books dealing in stoner stereotypes. David Schmaders funny, fact-packed Weed is something new and necessary. Reggie Watts, star of IFCs Comedy Bang Bang Denver Best Seller List A witty guide full of history, recipes, safety and legality tips, and medical information. Publishers Weekly [Weed] is smoothly written and completely thought out, covering the basics of usage (smoking, vaping, consuming edibles, and applying the substance topically) as well as marijuana etiquette (dont bogart, man!). There are recipes for classic pot brownies and cannabis-infused oil, and humor reigns the day (the advice for scoring includes offering homemade banana bread to the neighbors if youve ever smelled pot smoke wafting from their door). Its irreverent, to be sure, but serious advice includes what do to if youre high, and dont want to be, as well as a chapter on safety and legality. Booklist Buy every one this book. The information inside is absolutely indispensable for stoners and novices alike. Schmader tackles all the basics of bud, plus plenty of esoteric but equally important stuff. Its got everything from the ancient history of pot (where he considers the all-important question "Was Jesus a stoner?") to a compound-by-compound breakdown of all the chemicals that make pot pot. While its extremely useful and educational, its also just really fun to read, which is no surprise coming from Schmader. The Stranger Weed: The Users Guide is an encyclopedia of marijuana history, use, and culture for those questions youre afraid to ask at your friendly neighborhood pot shop... The book is hilarious and entertaining and thoroughly Schmader-y. Seattle Weekly [An] indispensable book for beginning or returning dope smokers. Portland Mercury The adult-like approach to cannabis acts as a prism through which readers can absorb a plethora of information: Schmader covers subjects ranging from etiquette, history, recipes, and even select musical and museum experiences that may be made even better after having smoked. Herb, formerly The Stoner's Cookbook Schmader may just be a regular guy, but he is remarkable in his willingness to be vulnerable, to lay himself bare, in order connect with people to realize a collective truth. Boulder Weekly "From the requisite history of marijuana cultivation, usage, glossary, step-by-step instructions for an assortment of popular consumption methods, and pot etiquette, each page is delivered with the honesty, humor and tenderness of a trusted friend. A friend who has tested the water for us and now lovingly coaxes us in." Jetspace Magazine "This is a necessary book as we move into a legal weed culture, and people should read it." Savage Love David Schmader is a goddamned Seattle treasure. Funny, entertaining and useful. The Seattle of Books One of the very best cannabis books as of late. Comics Grinder This writer is redefining what it means to be a pothead. Civilized A modern guide to responsible marijuana use. Stacked magazine A guide to the brave new world of legal marijuana. Shelf Talk, New and Noteworthy Northwest Nonfiction If David Schmader does anything, ever you can bet it will be both informative and hilarious. City Arts online "Weed: The Users Guide is full of information about medical use and safety and legality and recipes and you can learn even more from David." KUOW "The title...really speaks for itself: Weed: The Users Guide A 21st-Century Handbook for Enjoying Marijuana." Portland Monthly You laugh because its true. Bustle "A lot of fun." KBOO "David Schmader is a legend." Westword A witty handbook for new and experienced users alike. Phinney Books via NW Book Lovers [A] handbook for enjoying marijuana. Seattle Magazine [A] pot primer. Publishers Weekly You dont need to know anything about weed to find [this book] entertaining. Toke of the Town The basic pot primer. Lifezette [Schmader tells you] how to find the sweet spot of being a successful stoner without the lazy, dropout stigma stopping you from achieving your fully baked dreams. Eugene Weekly [An] excellent book. Times Herald-Record As poignant as it is hilarious. High Times Handy. Yahoo News "If youre still convinced marijuana is a dangerous drug, writer David Schmader has some news for you. Inquisitr David Schmaderspoke with experts and crunched the numbers. Business Insider You might as well read the instructional

manual. Refinery29 Marijuana users from the novice smoker to the seasoned toker will appreciate the colorful anecdotes, recipes, and safety tips. BusinessInsider Consider this the modern mans instruction manual for marijuana. Mens Journal "You should just read it explain[s] the varieties of weed particularly well." Drunk Booksellers "All that stuff that really matters." Cannabis Magazine "Are you ready to learn some stuff about drugs?! The only answer is yes, so here we go!" BuzzFeed "A well-written and engaging little book about marijuana use. Schmader is a gifted, witty, and entertaining writer." New York Botanical Gardens About the Author David Schmader is a writer living and working in Seattle. From 1999-2014, Schmader served as associate editor at Seattles Pulitzer-winning newsweekly the Stranger, writing the column Last Days: The Week in . In 2015, Schmader became creative director of the award-winning nonprofit writing center the Greater Seattle Bureau of Fearless Ideas, where he also serves as writer-in-residence. In his spare time, hes the worlds foremost authority on the brilliant horribleness of Showgirls, hosting annotated screenings of Paul Verhoevens stripper drama at cinemas across the U.S. and supplying the commentary track for the bestselling Showgirls DVD.
