He is very happy with it..He spends a lot of time doing crossword puzzles and had had many books, as well as the NY Times..if he likes this one, it is good.0 of 0 people found the following review helpful. Interesting puzzles and quality paper By S Willy The puzzles in these books are moderate in difficulty, mostly because they don't use esoteric clues and answers that the average person would not know. There is plenty to ponder and getting some answers helps get the ones which are harder, the way a crossword should work in my opinion. The aspect of these books I really like is the quality of the paper. It is white and comfortable to write on, not like newsprint.1 of 1 people found the following review helpful. Gift for son. e loves the Stanley Newman crossword ...By Norma Greiner Gift for son. e loves the Stanley Newman crossword books and asks for one every Christmas.
