F. R. Wendemuth : Wendemuth's Checker Companion (Checkers Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Wendemuth's Checker Companion (Checkers Guide):

A text for all grades of players, containing the early history of the game and up-to-date methods and conduct of play. It also shows the beginner how to start his game with elementary positions and as he advances step by step can hold his

own with the most expert player. It appeals to the expert for its high-class analysis and excellent problem department. It also contains corrections of published play that are highly important.
