From Bobbito Garcia : Where'd You Get Those? 10th Anniversary Edition: New York City's Sneaker Culture: 1960-1987 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Where'd You Get Those? 10th Anniversary Edition: New York City's Sneaker Culture: 1960-1987:

2 of 2 people found the following review helpful. I got this 10 years later, but JUST IN TIME...By Mark Rabago Really interesting book showing the EARLY days of the sneaker game, being 38 I remember quite a bit of these shoes worn by my uncles and even some pairs I had as a kid. Just the visuals alone are really neat to look at and some of the comments by the contributors to the book were funny, you can feel the excitement from their words. This book is an acquired taste but I've been bitten by the bug so it was a must in my book. 0 of 0 people found the following

The mother of all sneaker books is finally back in print, in an expanded edition. Upon its initial publication in 2003, *Whered You Get Those?* was hailed by *Vanity Fair* as The perfect primer on the sole of pop culture a much needed compendium. The *New Yorker* raved that Garcias book is an anthropological trove, while the *New York Post* noted that *Whered You Get Those?* is a must. *Vogue* gushed: Garcia chronicles the gym shoes rise to cultural prominence with obsessive detail *Whered You Get Those?* is a welcome addition to New York cultural history. Paper magazine called it The definitive book on the rise of sneaker fanaticism, and *Time Out New York* hailed it as a rhapsodic, comprehensive chronicle. Documenting more than 400 pairs of sneakers in a highly illustrated, chronological format, *Whered You Get Those?* is simply a stone cold classic. Sneakers are fetishized by consumers worldwide, and dozens of subsequent sneakers books have come and gone, but none have come close to attracting the readership and unfettered adulation that this book has enjoyed. (Carnegie Mellon University even offers a class, *Sneakerology 101*, that uses *Whered You Get Those?* as its main textbook.) Updates to the new edition include new sneakers inaugurated into the canon, as well as a new foreword, introduction and afterword.
