Clever idea, beautifully executedBy Emily HearnThis is one of my favorite Beatles book that I've seen in a long time -- my ten-year old brother is obsessed with "Beatles lore" so I thought this was a perfect gift for him. The pictures were beautiful and captivating, and the book actually included a decent amount of information. Alternatively, this would make a fabulous coffee table book. Truthfully, I wish I had a copy for myself!0 of 0 people found the following review helpful. Ringo, oh Ringo...WHERE ARE YOU?!By Wd.ShermanMUCH better than WHERE's WALDO!!
