**William S. Yellow Robe Jr. : Where the Pavement Ends: Five Native American Plays (American Indian Literature and Critical Studies Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Where the Pavement Ends: Five Native American Plays (American Indian Literature and Critical Studies Series):

0 of 0 people found the following review helpful. Good read  
By CyIt's not really what I needed for use as performance material in my acting classes but it is a very good set of plays.  
2 of 2 people found the following review helpful. The works of William Yellowrobe  
By Prison ProjectThis book is a nice collection of plays by Mr. Yellowrobe; often addressing serious cultural issues, sometimes with a comical twist. Mr Yellowrobe's plays should be seen; his work is talented along with the actors chosen. You will walk away with something to think about when reading his books or attending a play written by him.  
Where the Pavement Ends: Five Native American Plays (American Indian Literature and Critical Studies Series)

By linda renoloved the plays would love to see them acted

Five plays by the award-winning Native playwright  
When leading Assiniboine playwright Wil-liam S. Yellow Robe, Jr., began his theatrical career, few roles existed for American Indians. So he wrote his own plays, creating parts for himself and other Native actors.  
Where the Pavement Ends contains five of Yellow Robes most poignant and powerful plays: The Star Quilter, The Body Guards, Rez Politics, The Council, and Sneaky. Written in the 1980s and 1990s and based on his experiences on the Fort Peck reservation, these plays explore American Indian experience, from Indian-white relations to ecology and identity. Combining raw reservation reality with subtle humor, their unique perspective on humanity remains fresh today.
