0 of 0 people found the following review helpful. Beautiful cardsBy Jennifer R DudleyThe cards are lovely but there quality of the playing card aspect is cheap..cheap..cheap. They are good for educational purposes but not for playing with.

This gorgeous deck of cards features real photos of 52 of the most common and beautiful wildflowers of the

Southeastern states. Wildflowers are much beloved in this land of plateaus, groves and shorelines, and you can enjoy learning their names while playing your favorite card games.
