**Tetsuya Miyamoto, LLC KenKen Puzzle : Will Shortz Presents Fun in the Sun KenKen: 200 Easy to Hard Logic Puzzles That Make You Smarter** before purchasing it in order to gage whether or not it would be worth my time, and all praised Will Shortz Presents Fun in the Sun KenKen: 200 Easy to Hard Logic Puzzles That Make You Smarter:

3 of 3 people found the following review helpful. Seems Like 2 Books In One, Very Beginner to Very Advanced By tinkerbello023 I thought 200 puzzles sounded like a deal! But there seems to be a great divide halfway through the book. The first 100 puzzles are 4x4! The last 100 get bigger and harder much faster. Here is the puzzle set-up: #1-44 Light Easy 4x4 #45-86 Moderate 4x4 #87-100 Challenging 4x4 #101-104 Moderate 6x6 #105-123 Challenging 6x6 #124-131 Easy 7x7 #132-146 Moderate 7x7 #147-160 Easy 9x9 #161-180 Moderate 9x9 #181-200 Challenging 9x9 Where are the 8x8's? I think I will have to go back and forth between this book and another one to fill in some of those gaps! At least the paper seems to be a better quality than a lot of books I have seen. Glad I got it as a bargain book! 8 bucks would have been too much to go from too easy to too hard so quickly. 0 of 0 people found the following review helpful. Better Books Available By Redcatcher Puzzles range from VERY easy to quite difficult with not much in between. My favorites, the 5x5 puzzles, have been left out of this particular edition. 0 of 2 people found the following review helpful. Lots of Puzzles By Donna Johnson I enjoyed this box and was sorry to finish the book. There were many, many puzzles from easy to hard.

There's no better way to unwind on your downtime than with a KenKen puzzle or better yet, two hundred of them! So whether you're hitting the road or simple lounging in the backyard, your vacation begins the moment you pick up a pencil! Includes: 200 easy to challenging KenKen puzzles Puzzles range in size from simple 3x3 grids to mindbending 9x9 grids Introduction and solving instructions by puzzlemaster Will Shortz

About the Author TETSUYA MIYAMOTO, the creator of KenKen, is a math teacher who runs a unique mathematics class for grade school children in Japan where he practices "The Art of Teaching Without Teaching." His teaching method and use of KenKen in his classroom has proven extremely successful. His students regularly go on to be accepted at the most prestigious schools in Tokyo. WILL SHORTZ has been the crossword puzzle editor of The New York Times since 1993. He is also the puzzlemaster on NPR's Weekend Edition Sunday and is founder and director of the annual American Crossword Puzzle Tournament. He has edited countless books of crossword puzzles, Sudoku, KenKen, and all manner of brain-busters.
