It's decently sized page-wise, with the clues and puzzle on the same page, which is nice. My girlfriend and I have only made it about 8 puzzles in, but so far the difficulty of the clues has been a great mix and doesn't leave us scratching our heads too often. My only complaint would be that having it in standard book format (versus spiral-bound) can make it a bit difficult to hold and read all the clues, due to the curve of the page. Otherwise, it's a great product.9 of 9 people found the following review helpful. Very good puzzle fun, but...By fionawmbI am enjoying doing the puzzles. Just my level- not too easy, not too hard. My complaint lies in the format. I'd like the puzzle a bit larger, and a spiral binding would make the book lie nicely flat on the table.0 of 0 people found the following review helpful. Suoer excired for this!By Laura SullivanThis will be my first crossword puzzle experience. I loved the cover so I took the leap. In hand, the book is very nice. It smells yummy and I can't wait to get started!

This book packs hours of solving into a portable paperback with a flashy, fun cover.
