2 of 2 people found the following review helpful. Puzzles were all on the more difficult side By A. Jones The printed book itself was very nice, and a good size to size and puzzle with. But the puzzles themselves were much more difficult than I realized they'd be. It was too difficult for me. 2 of 2 people found the following review helpful. Just the right size By CJ Smith Very good quality puzzles. Just the right size book for bedside use (helps me get to sleep). Nice price. Not all puzzles are as difficult as indicated, but overall provides just the right level of challenge. 0 of 0 people
