April Parker : Willow Visits Her Friends: A Book of Shadow Puppets (Volume 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised Willow Visits Her Friends: A Book of Shadow Puppets (Volume 1):

0 of 0 people found the following review helpful. Family Time!By LisaanneExcellent for family fun and bonding. Putting this on my list for Christmas and birthday gifts ideas.

This book contains photographs of shadow puppets and a photograph of how my daughter made each of them with her hands so the reader can try to make them on their own. It has a simple story with basic to intermediate level vocabulary and short sentences perfect for the beginning reader. The story focuses on the character Willow as she spends the day visiting eight of her friends.
