**David S. Popik : Winning Blackjack Without Counting Cards** before purchasing it in order to gage whether or not it would be worth my time, and all praised Winning Blackjack Without Counting Cards:

0 of 0 people found the following review helpful. Typical infoBy Yolando BalaneAll the info mentioned in the book are typical and nothing extraordinary. Nothing new here. I was expecting some surprise info that I have not been privy of. Did not get anything. This book is strictly for beginners that know nothing about black jack. .1 of 1 people found the following review helpful. Had some good pointsBy Stephen RoenneburgJust o.k. It really didn't excite me to go

out and play blackjack with the new information, but it certainly helps if you don't want to count cards. 0 of 1 people found the following review helpful. Three Stars By Phil Bucci Not much new

Outlines a basic strategy that players can use to gain a percentage of the house with no card counting.
