Iakov Neishtadt : Winning Quickly with White before purchasing it in order to gauge whether or not it would be worth my time, and all praised Winning Quickly with White:

0 of 0 people found the following review helpful. enjoyable for free time. By Boston suburban dweller Pure fun. Sure, maybe if you were playing black you wouldn't really have done that move?! But, they are real games (some correspondence), and it exemplifies simple traps and errors that even great players make. I have the compliment book - Winning Quickly with Black - and they are both just fun games to go through if you have extra time. They don't teach openings or strategies. It is a compilation of games where one side made an error - sometimes quite obvious - and just couldn't recover (we've all been there. it happens). The difference of course is that the games are played by experts, so

when an error is made, the other side lowers the boom harshly (and there's the fun). Note: the books are pre-Carlsen, so mostly older masters playing here.0 of 0 people found the following review helpful. LovesBy alexLoved0 of 2 people found the following review helpful. GET THE PAIR!By SIN2WIN2CONCISE AND AFFORDABLE ARE ITS BEST ATTRIBUTES!!

All players enjoy inflicting quick victories on their opponents. In this instructive and entertaining volume of 'miniature' games, Russian master Iakov Neishtadt shows you the route to rapid success when playing with the white pieces. If you are tired of trying to squeeze victory from long, dour struggles then this is the book to rekindle your chess appetite.

From the Back CoverAll players enjoy inflicting quick victories on their opponents. In this instructive and entertaining volume of 'miniature' games, Russian master Iakov Neishtadt shows you the route to rapid success when playing with the white pieces. If you are tired of trying to squeeze victory from long, dour struggles then this is the book to rekindle your chess appetite. A companion volume, *Winning Quickly with Black*, also translated by Ken Neat is available from Cadogan.
