We play all the timeBy Almost a Hermit Thanks to Online ShoppingI was looking forward to exclaiming "I am the Lizzard Queen" when playing, but then I realized that the game is called Wizard, not Lizzard. Oh well, it is still an awesome game. We play all the time. I will warn you that the score sheets are ridiculously tiny... break out some big people paper for scoring.0 of 0 people found the following review helpful. Fantastically fun game!By BeckyLove this game, Wizard. Am buying two more games for us, as one is worn out and want to keep one in the camper, so I don't leave home without it. Have also bought 3 games for 3 sets of friends. That way I didn't have to bring our game with us when asked over for supper and cards. If you like playing cards, you will love this game. Very similar to Up and Down the River , only with wild cards.

The original, award-winning Wizard Card Game with new, large index design. No ordinary deck of cards; an extraordinary game of strategy.
