were introduced to this game by my sister and brother-in-law and loved it. It's a lot like a game we play with regular cards called Ups and Downs (it has other names as well) but it is even more fun, due to the special cards and little changes this game contains. Highly recommend this for family fun.0 of 0 people found the following review helpful. A great game to play with friendsBy Tony-HawaiiA great game to play with friends. Your luck can change often in the middle of the game, so it is surprising who comes out the winner in the end.0 of 0 people found the following review helpful. Five StarsBy TRACY L DEMELVery fun game!

More fun than Hearts and Rummy, award-winning Wizard is the Ultimate Game of Trump the whole family can enjoy. The rules are easy to learn -- the strategy adds an exciting challenge. In Wizard, players try to win the exact number of tricks they bid.The Wizard deck is similar to a regular deck of playing cards with the addition of four Wizards and four Jesters. Jesters always lose and Wizards always win. In the first round, players start out with one card. In the second round, players are deal two cards, and so on, with each round becoming more challenging. When you make your exact bid, you earn points. If you take too many or too few tricks, you lose points. The special, custom Wizard Score Sheet helps players keep track of bids and points. Wizard Card Game can be played with 2-6 players. Instructions are in English, French, and Spanish.
