1 of 1 people found the following review helpful. it is really annoying because you are stuck writing on the binding section ...By dgiaffeThis is what I was looking for, unfortunately, the font is too big for me and when you get to play on a left side puzzle, it is really annoying because you are stuck writing on the binding section since the book is pretty thick. It's really not fun to play this on a couch, you kind of need a table, which makes my purchase basically useless. I

wish the font was smaller and that the grid was bigger, with more words.1 of 1 people found the following review helpful. Would buy againBy DidiereI love this crossword puzzle. It was so hard to find at the stores so I am so happy I ordered it and got this particular one. It is big but I love the size. The feel of the book is nice and you have the answers in the back to check your work. Great book!!!1 of 1 people found the following review helpful. love it. thankBy Rettwhat a brain tease, love it. thank you
