Don't judge a book by its cover! Puzzles are great!By silly friendGreat big puzzles. By the way, the puzzles do not look like the cover of the book.... They are regular-looking word search puzzles in a 30 by 30 letter grid. Fun to search, well hidden. The book cover gives it an odd view.1 of 1 people found the following review helpful. Not good for anyone with bad eyesBy Kool KatThese puzzles are very hard to see and follow for me. The letters seem to just run together. This book gives me a headache.
