BLIZZARD ENTERTAINMENT : World of Warcraft Chronicle Volume 2 before purchasing it in order to gauge whether or not it would be worth my time, and all praised World of Warcraft Chronicle Volume 2:

1 of 1 people found the following review helpful. Another WoW Lore Masterpiece! By Domenick Caruso I preordered this immediately when it was announced. I loved the first one and this one was just as good. The art is amazing and filling all those holes in WoW is very nice. Although I liked the first volume better because it had more new lore about the beginning of the universe, that's only because I've read almost all the books and a lot of the lore in this one is told in books. But don't fret. There is a ton of little things you'll want to read into. And the art is beautiful. Really hope they keep doing this, but I gotta wait a whole year again. The torture! 1 of 1 people found the following review helpful. Lots of fun - if you liked Vol. 1, especially, it's worth continuing the "saga"! I wish I'd read it before playing Warlords of Draenor... it might have made me care a lot more about all of that stuff.

Much of the book is dedicated to the history of Draenor. Also covers the events of the "First and Second Wars" (Warcraft I and II), which was a great refresher. Reinvigorated my interest in the playing WoW. :) 2 of 2 people found the following review helpful. For those who love the lore

A well documented, if concise, history of the orcs and the first couple wars with the alliance. My only complaint is that, once again, goblins only received a couple sentences, when they could have elaborated more on how they made a deal with the orcs.

Blizzard Entertainment and Dark Horse Books are thrilled to present the next installment of the wildly popular World of Warcraft Chronicle series. Volume 2 will reveal more sought-after details about the game universe's history and mythology. Showcasing lush, all-new artwork from fan favorites such as Peter Lee, Joseph Lacroix, and Alex Horley, this tome is sure to please all fans--casual and collector alike.
