BradyGames : World of Warcraft Dungeon Companion before purchasing it in order to gage whether or not it would be worth my time, and all praised World of Warcraft Dungeon Companion:

0 of 0 people found the following review helpful. Nostalgia purpose only!By CastleBeen playing WoW for almost a decade now. Wanted to order these as a throwback. This book reminds me to gather soul shards on my lock and make sure I have adequate room in my quiver for arrows for my hunter. LOL! Now that Draenor is out, this is soooo funny to go back and reminisce. Look back at pics of Thousand Needles dry pre-cataclysm.I give it 3 stars since it will provide ZERO help to any new player and only mildly nostalgic to the true wow player.(I still have all my screenshots from Vanilla content)Perfect for lining your bookshelf if you want more wow items. Other than that it's almost 100% outdated since there are no more talent trees and such and almost all the spells/casts are overhauled or non-existent.0 of 0 people found the following review helpful. Five StarsBy Lynda Haymesa start of new set maybe?0 of 0 people found the following review helpful. A life saver in WoW!By J. SturmThis book gave me a lot of great advice during

my WoW days. It was slightly dated when I got it but gave pretty sound strategies and what to look for in the different dungeons and instances. I gave it four stars instead of five because I think the maps were a little too small. I would have been willing to pay more if I hadn't had to squint to try and make out details. I'm sure this is probably outdated with all the patches over the years, but is still a good guide to have if playing on a private server which uses the older dungeons. Also probably a must have if you collect everything Warcrack.

BradyGames' World of Warcraft Dungeon Companion features masterful strategy compiled from a crew of some of the most experienced players in the game, where their tried and successful tactics are sure to guide players through even the darkest pits of Azeroth. Every Dungeon: Low-level instances and the toughest raid dungeons are all covered in this monstrous compendium. Light is shed on everything from Ragefire Chasm to Ahn' Qiraj.
