full of decent-grade sketch paper. I got it mainly for the cover (which is awesome) so I could draw to my heart's content. It's a pretty good deal for this amount of sketch material with a quality cover. If you thought the whole thing was full of artwork...sorry. 1 of 1 people found the following review helpful. Hidden artwork is amazing. By Angela Kaczowka Amazingly put together, strong sturdy spine, love the strap to hold my place when I need to pause between sketches. I need to buy more. The artwork on the first few pages are amazing inspirations as well. 0 of 0 people found the following review helpful. Five Stars By Jamie S. Otero Great item for an Illidan fan. Great artwork and lots of nice pages for drawing or whatever you desire.
