my preferred one, but this work of his is much better written than his other books in the WoW series. The 5 star is solely for the lore content and biased because of my Nelf Druid. This lore has always been near and dear to my heart and while I wish it was told better with a different author, worthy of the task, I still enjoyed reading this book. For those who don't know, this book encompasses Malfurion Stormrage and his love, Queen of the night elves, and high priestess of Elune, Tyranda, and their battle against The Nightmare in The Emerald Dream. The tainted Emerald Dream seeps into the woken plane of reality and attacks all in Azeroth. 0 of 0 people found the following review helpful. Really awesome seller and really awesome book By Mary Winchester Really awesome seller and really awesome book. I'm a huge Wow fan, and have always had a crush in Illidan, so this was a great read for me 0 of 0 people found the following review helpful. Illy's bro is in trouble! By yoyawan This is the story about Malfurion (Illidan is my favorite twin brother) and how he gets in deep trouble in the emerald nightmare. Is very entertained.

When the world of Azeroth was young, the god-like titans brought order to it by reshaping its lands and seas. Throughout their great work, they followed a magnificent design for what they envisioned Azeroth would become. Although the titans departed Azeroth long ago, that design endures to this day. It is known as the Emerald Dream, a lush and savagely primal version of the World of Warcraft. Many are the mysteries surrounding the Emerald Dream and its reclusive guardians, the green dragonflight. In times past, druids have entered the Dream to monitor the ebb and flow of life on Azeroth in their never-ending quest to maintain the delicate balance of nature. However, not all dreams are pleasant ones. Recently the Emerald Nightmare, an area of corruption within the Emerald Dream, began growing in size, transforming the Dream into a realm of unimaginable horror. Green dragons have been unexpectedly caught up in the Nightmare, emerging from it with shattered minds and twisted bodies. Druids who have entered the darkening Dream lately have found it difficult sometimes even impossible to escape. Nor are these the Nightmares only victims: more and more people are being affected. Even Malfurion Stormrage, first and foremost of the druids on Azeroth, may have fallen victim to this growing threat. As uncontrollable nightmares spread across the world, a desperate quest begins to find and free the archdruid. Soon nature's enemies will learn the true meaning of the name Stormrage.
