Upper Deck : World of Warcraft TCG: Death Knight Deluxe Starter before purchasing it in order to gage whether or not it would be worth my time, and all praised World of Warcraft TCG: Death Knight Deluxe Starter:

Death Knight Deluxe Starter Deck By James I received this product brand new, but at closer inspection, and after opening the 19 card cellophane package that came with the two decks this product included, I found that it only contained 17 cards. I counted many times, and even checked to see what the starter box was suppose to contain; it clearly stated 19 cards. No real problem here though I suppose, the cards that I did receive are great additions to both my collection and hero raid deck(s). However, In order to keep posterity, I will be deducting one star in this review. 0 of 0 people found the following review helpful.
