**Kevin Sullivan : WWE 50** before purchasing it in order to gage whether or not it would be worth my time, and all praised WWE 50:

14 of 14 people found the following review helpful. So much better than I thoughtBy Silverback\_ChristianpawI didn't think much of this when I saw an advertizement. Cause when you have the WWE Encyclopedia what else can you read. However I got this book and I have to say it is much more enjoyable to read. It has just so many great pics, quotes, stories, historical info, and everything in-between. The book covers all kinds of great things, stars from the 70s, 80s, 90s, the Attitude Era, History or Raw, Smackdown, ECW, Wrestlemania and so much more. This book is legit a closer look at WWE and I recommend it over all the others.0 of 0 people found the following review helpful. Not a good Kindle versionBy Jeff JarvisThis review is specifically for the Kindle version of this book and not for the content of the book itself. I own the hardcover version of the book, but wanted a version for my tablet that I could read without carrying around a large book. I purchased the Kindle version only to find that there is no way to zoom in on the pages. When you first open the book it states that you can double tap on the text to zoom in and read it. But this does not work. When you double tap, it just highlights the page. There are no pinch/zoom controls on the book and the text is so small it is unreadable. I ended up returning the Kindle version and getting the iBooks version which allows

me actually see the text on the screen.0 of 0 people found the following review helpful. Great Great Great!By Hamza AbdelrahmanHas everything you can ask for; Would recommend they add a section at the beginning of their next 'history' book regarding the evolution of professional wrestling as a whole in the United States.Nevertheless, i highly recommend it to anyone who wants to know anything about this company (and generally speaking, this business).

Now a New York Times Best Seller, WWE 50 gives you the behind-the-scenes knowledge and provides a definitive slam-by-slam look at the worldwide wrestling phenomenon. Get detailed histories on all your favorite wrestlers from the 60s and 70s right up to today's WWE stars and on the great partnerships, tag teams and stables from WWE history. From the Hardcore Champion to the World Heavyweight title holder and from the Survivor Series to the grand spectacle of Wrestlemania, WWE 50 covers it all. Plus, you'll have the facts at your fingertips on all of WWE's movies, video games and music. WWE 50 is the ultimate wrestling experience, so step into the ring and get up close and personal with the superstars of WWE. Learn the Real Story Behind Key Events in WWE History: The split from the National Wrestling Alliance. Controversial figures and events from all eras. National expansion and the perilous risk involved. The legal and financial strife that nearly devastated WWE. Triumph in the Monday Night Wars. Innovations of WrestleMania, Raw, SmackDown, Survivor Series, and more! With Stunning Visuals and Insider Commentary. Only in WWE 50 receive an exclusive Topps Collectible Trading Card.

"WWE 50 is a must-buy." Renegade Cinema Website "[A]n enthralling trip down memory lane and a history lesson for those new to the product." Miami Herald "Visually the book is exceptional." Wrestle Zone Website
