Pleasantly surprised by this nice hardcover.By Casey WagnerThis book goes over the entire Monday Night War and what is now called the Attitude Era in great detail from an outside Kayfabe (In storyline) perspective. With over 200 fully colored and nicely printed pages, this is definitely worth the price of admission.4 of 4 people found the following review helpful. Not a history book, but still great!By Hamza AbdelrahmanGreat book, defentinely deserves the buy if you want to be entertained in a sense. I bought it for an essay I was writing about the Attitude Era, and I expected it to have all the bits and pieces regarding that era; it rather had what superstars thought about the era and the most memorable 'wrestlers' back then.If you're really into that era, i would recommend you check the following: This book, 'WWE 50' book, the Monday Night War series on the WWE Network, and the rise and fall of WCW (also found on the network).0 of 0 people found the following review helpful. Great book for true fans!!!!!!By angela devillierThis is a Christmas present for my 15 yr old daughter who is a huge wrestling fan, but I sat and read every page before I wraped it!!!!!! Awesome awesome awesome!!!!!!!!! I know people

say wrestling is fake, but if you read about a lot of the wrestlers there are a lot of injuries, so the wrestling moves are not fake. Get this book and check it out!!!!

Includes a FREE Stone Cold Steve Austin bottle opener! If you remember the "Attitude Era", you are probably of age for a Steve-weiser!!When your back is against the wall, it's time to unleash a little Attitude! In the late 1990's, that's exactly what the WWE did. With its fans clamoring for something different, the competition moving in for the kill. Meanwhile, a motley crew of outlaws, oddballs and antiheroes were hell bent on blowing the doors off the status quo. It was the perfect storm, one that still shows its aftermath on the entertainment landscape. In this cure for the common book, we breakdown the iconic Superstars, the outrageous moments, the pulse-pounding action and of course, the wanton debauchery that made up the years that will forever be held in infamy as The Attitude Era! Featuring: - Stone Cold Steve Austin, D-Generation X, The Rock, Undertaker, Mankind, and the deep roster of WWE Superstars and Divas that defined "Attitude". - New interviews from Stone Cold Steve Austin, Triple H, Trish Stratus and many more! - The Top 20 matches and moments from the era.- A retrospective on the beginning and end of the era, plus all the chaos in between.- Stunning visuals, with full color imagery on every page, including never-before-seen photosAll other trademarks, logos and copyrights are the property of their respective owners. 2015 WWE, Inc.
