If you play Wyvern, this book is a must have ...By Will Hughes[[VIDEOID:moBAZ6TZNLHGJM]](Please refer to the video guide to give you a more detailed description of the book)Many card games out there have very little strategy guides or any guides for that matter. With most card games, you would think it would be ideal to add a more comprehensive guide when making a rule book.This book is a must have for anyone who plays Wyvern trading card game. This contains strategy guides, a card checklist, a FAQ section, and of course, general rules of play. If you ever wandered what you could do with Wyvern trading card game, this book will help you explain every detail to the game, even give you some strategy ideas on some good card sets to use.Inside the book contains a complete checklist of every card as well as shows what every card looks like. This way, if you plan to buy more cards for this game, you know what the card will look like as well as know what to expect if and when you find the card. The book is very well designed and put together with good details.If you play the game, this book is a must buy to compliment the game.0 of 0 people found the following review helpful. Wanted to check out a guide to this game. ...By NameWanted to check out a guide to this game. Only cost a few bucks, but probably not necessary to play Wyvern CCG.
