Now, the main problem with any collector's value guide is to become obsolete within the year it is published. Nevertheless, this first edition achieve to be pleasant to read, informative, and full of pictures. Still, ALL X-Men books are not displayed Although I have been a fan of X-Men a

few years ago, this guide was helpful to catch what I missed. I can't ask for more, except to expect more for the second edition.

This Collector's Value Guide to the well-known comic book series features color photos and values for the popular comic books, an overview of the new X-Men collectible card game, features on other X-Men collectibles including action figures and trading cards. It also features a spotlight on the new movie and animated television series. Be sure to check out our other great titles such as: Pokemon, Hot Wheels, Digimon and more!
