**Prima Games : Xenoblade Chronicles X Collector's Edition Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised Xenoblade Chronicles X Collector's Edition Guide:

1 of 1 people found the following review helpful. Very helpful. The guide provides a walkthrough of the ...By CaptainVery helpful. The guide provides a walkthrough of the every story mission and affinity mission, and also some of the more complex basic missions. There are also complete maps of each area, showing what tasks you must complete to survey them for Frontier Nav, and where to find every collectible. There's also a complete index of every enemy in the game, listing their stats and what materials they drop. My only gripe is that there isn't a complete list of all equipment (unless there is, and I haven't found it; it's a really big guide).0 of 0 people found the following review helpful. The book itself is made solid with good binding and printingBy The TravelerPurchase this game guide as a surprise for my 11-year-old. He has told me time and time again that he loves the book and it has helped him complete

tasks and challenges in the game. The book itself is made solid with good binding and printing. 1 of 1 people found the following review helpful. Pretty but not helpful By Jenifer Sisseck It's pretty much a copy of all the information already in the game. There is no viable way to find what you really need. Like where are the indigens you need for a quest-in the book it just says the continent they are on. There are no recommendations for probe placements, art setups, skill upgrades or anything helpful. The one nice thing is the few pages that show what items can be found for gathering and where. If you want it just as a collector's item that's fine, it's well illustrated, but if you plan on using it to help you in the game it's useless.

The Xenoblade Chronicles X Collectors Edition Guide includes Deluxe hardcover: The beautiful hardcover edition of the guide will have premium treatments. Screen cleaner: Includes a high-quality, microfiber screen cleaner featuring art from the game.
