Dan Birlew, Laura Parkinson : Xenosaga(TM) Official Strategy Guide (Official Strategy Guides (Bradygames)) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Xenosaga(TM) Official Strategy Guide (Official Strategy Guides (Bradygames)):

0 of 0 people found the following review helpful. I love my strategy guide By Elizabeth I love my official game guide for, Xenosaga, it helps me a lot with the game. And, I have no issues with it. Thank you very much for the product. 3 of 3 people found the following review helpful. Great guide! Great game! By RPGGamer Very good guide with little flaws! The only thing that the guide missed was that it did not inform you to protect yourself from "instant KO" from the Demon enemy inside Proto Merkabah! Other than that it was great. Good boss strategies, good pictures/illustrations and directions if you get lost on where to go. very accurate and complete lists of all items/abilities/accessories. This guide explains the basics of the game very thoroughly also so it is useful in that sense

and if you bought the game used like I did or if you rent games, in which my copy did not have the instruction manual, you can get all the necessary info from this guide! So, I definitely recommend this guide to anyone who wants to get the most from this great game! Also, guide gives good explanation and rewards from the games side quests and games.0 of 0 people found the following review helpful. GoodBy ShannonUseful book to get through the game and get all the items. Could have had better Some better directions and tips in certain areas in game. It's not perfect, but is still very usable.

BradyGames' Xenosaga Official Strategy Guide provides a comprehensive walkthrough, including detailed maps that pinpoint key items. A complete bestiary plus expert boss strategy to ensure victory in each battle. Mini-game coverage reveals winning tactics. Weapon and item lists include inventory of every ability, weapon, accessory, and item in the game. Game secrets and more revealed!
