It arrived in sealed sticky plastic that caused a rift in the cover. So I'm not happy with it. Martijn Luns - Amsterdam 1 of 2 people found the following review helpful. Treasure Trove of Beatle Treats By BeatleBangs1964 In addition to the high caliber text and photographs, readers will no doubt be delighted with the introduction by Paul McCartney. This is a must have for avid Beatle fans and no doubt more moderate fans and those becoming familiar with the Beatles will love this work as well.

Gathers photographs of the Beatles performing, making films, and recording albums during the height of their popularity.
