Written by Milton EPolsky Do you have an idea for a play? A situation or experience from your home or work life? Fantasy? With helpful, clear examples, taken from his own experiences in teaching, directing and playwriting, Milton Polsky shows how to find and shape a dramatic idea and bring it to fruitionIn addition to providing many practical exercises, suggestions and tips, he discusses and illustrates with examples from established playwrights the importance of giving shape to your idea so that what is in your head and heart can be expressed to the fullestTo facilitate this creative process, there are What if?, Just for You,

Playwright's Page sections; diagrams, journal exercises; and for this revised edition, end of chapter Suggested Activities for the Classroom (solo and group); additional appendices, including one on feedback; and over 50 new photosThis invaluable and basic guide to writing plays is ideal for teachers, students, camp counselors, community theatre leaders - and for anyone who knows there's a play inside, trying to get out! |

File size: 77.Mb

**Milton E. Polsky : You Can Write a Play! (Applause Books)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised You Can Write a Play! (Applause Books):

2 of 2 people found the following review helpful. Great textbook for beginning playwrightsBy DaytonvilleThis is a great resource for the beginning playwright with tons of production photographs, diagrams and illustrations of the concepts discussed. It discusses everything from the history of plays to discovering ideas to plotting to creating characters, etc. Many other playwriting books give a particular author's style of crafting plays but this book really acts like a resource of various methods of crafting plays. It's also a great supplement to any course on the subject.

(Applause Books). Do you have an idea for a play? A situation or experience from your home or work life? Fantasy? With helpful, clear examples, taken from his own experiences in teaching, directing and playwriting, Milton Polsky shows how to find and shape a dramatic idea and bring it to fruition. In addition to providing many practical exercises, suggestions and tips, he discusses and illustrates with examples from established playwrights "the importance of giving shape to your idea so that what is in your head and heart can be expressed to the fullest." To facilitate this creative process, there are "What if?", "Just for You," "Playwright's Page" sections; diagrams, journal exercises; and for this revised edition, end of chapter "Suggested Activities for the Classroom" (solo and group); additional appendices, including one on feedback; and over 50 new photos. This invaluable and basic guide to writing plays is ideal for teachers, students, camp counselors, community theatre leaders and for anyone who knows there's a play inside, trying to get out!
