**Bekah Brunstetter : You May Go Now** before purchasing it in order to gage whether or not it would be worth my time, and all praised You May Go Now:

Synopsis: Dottie has trained young Betty to be the perfect 1950s housewife; to cook the perfect pot roast, to bake a gorgeous seven-layer cake, to remove any stain. And tonight, Bettys 18th birthday, it is time for Betty to go out into

the world. Only Dottie has failed to mention that it is the 21st Century, that the world is a vast and complex place, and that there is a reason she cannot abide being called 'Mother'. Ghosts from the past haunt the women and shatter their idyllic, if odd, existence. When a mysterious traveler is stranded at their home, he brings a revelation that forces Betty to choose between the love of her 'mother' and her freedom and sanity. **YOU MAY GO NOW** is an adult fairy tale about a 'mother' and 'daughter' whose love is as real as it is destructive. Cast Size: 2 Males, 2 Females
